

Phoenixville Community Health Foundation

2026-2027 Ride for Health Program

Introduction

Thank you for participating in PCHF's Ride for Health program! Please read this document carefully, as program processes and requirements have changed.

Program Description

Ride for Health is designed to help individuals in the Greater Phoenixville Area who have no other means of transportation to get to and from healthcare or human/social service-related appointments.

Participating organizations may apply for grants of up to \$2,500 to help support the transportation needs of their clients.

This grant will support internal Lyft Business or Uber Business dashboard rides, Lyft or Uber gift cars, and SEPTA transportation passes to help transport clients who qualify for Ride for Health.

Please note: PCHF is no longer offering SEPTA Key Cards. Participating organizations may now use funds to order and distribute cards as needed, within eligibility guidelines.
